Set Up

Set up Will take place between 8am-5pm November 17th through November 27th. You must have the display set up by 5pm on November 27th. If you cannot make any of these dates, or you need to be on grounds after 5 pm, please contact the Fair Office to make arrangements. You will need lights, extension cords, and any other items necessary to put up your display. Please check in at the Fair Office to receive your map. The map will indicate where your organization will be setting up your display. You must have your display taken down by Monday, January 4th, 2016.

Gate Collection

You must set up a light display in order to collect money at the gates. This is a great fundraiser and an easy way for your organization to make money during the holiday season. Your organization will sign up for any of the dates listed below, and will stand at the gates to watch the displays and collect donations as cars drive through. It is also your responsibility to open and close all the gates. Money will be collected on a donation basis, so call up friends, family, and anyone else you know and tell them to visit the Lassen County Fair Festival of Lights on your night! In the past, organizations have also sold cookies, hot chocolate, and other goodies to people passing through.

Please indicate which night(s) you would like to work the gates (first come first serve).
