

# Lassen County Fair Presents:

## Appreciation Luncheon

The Lassen County Fair is hosting its annual luncheon to honor employees on Friday, July 20th at noon on the north grandstand lawn. You are encouraged to bring your employees, staff, and other faculty that make a difference in your workplace.

During the lunch, the new **Employee of the Year** will be announced. Nominations are currently being accepted. Please submit a letter stating why you think your employee or staff member should receive this honor (this letter will help determine the winner and will be read at the luncheon). The 2018 Lassen County Fair's Employee of the Year will receive a plaque with their name engraved on it.

Show your appreciation for your employees and their exceptional dedication by attaching your nomination letter to the lunch reservation at the bottom of this flyer to the Fair Office by **Monday, July 17th**.

Luncheon reservations are required. The lunch will be provided by Lassen County Fair and will cost **\$10 per person**. Admissions to the fairgrounds is **free** with your paid lunch reservation. Please include a list of who you are making reservations for.
