Christmas Trees on Main St.

We are looking for 9 businesses, civic groups, individuals, or families to decorate a 6-7 foot **LIVE CUT TREE** that will be placed in each of the flag pole holes at the Fair Marquee on Main Street. We have found that artificial trees have not held up to the winds on Main Street. Electricity will be provided for the lights, but each group will need to provide their own live cut trees along with extension cords to reach receptacles. The decorators will have to provide all lights and decorations for their tree. The trees should be set up and decorated by Friday December 1st. Each group is responsible for taking down their lights and decorations by the end of December. The Fair is not responsible for any damage caused due to weather, or persons not believing in the Christmas Spirit.

Set Up

Set up will take place between 8am-5pm November 14th through December 1st. You must have your display set up by 5pm on December 1st. Please check in at the Fair Office during regular office hours to receive your map and tree holder. The map will indicate where your tree is to be placed. **Also, please make sure the tree holder is returned to the Fair Office after taking your tree down!**

THE LASSEN COUNTY FAIR IS NOT RESPONSIBLE FOR ANY LOST OR STOLEN ITEMS WHILE YOUR LIGHT DISPLAY IS ON THE FAIRGROUNDS!
