June 30, 2020

The Lassen County Fair has been cancelled after the recommendation by the Fair Advisory Board and today's approval of their decision by Lassen County Board of Supervisors. Our community has been forced to surrender to the directives issued by the Governor and California Department of Public Health. The Board of Supervisors and Department of Health and Social Services stood up for our community to have its annual fair as long as they possibly could. We appreciate their tenacity and outpouring of local support shown at every Board meeting where we pursued an exhaustive list of plans trying to make the Lassen County Fair happen in spite of the extensive challenges posed by the COVID-19 public health crisis.

The Lassen County Fair is a large event for Lassen County, it brings our community together and provides much needed unity and encouragement. It's important in tough times and times of prosperity. As we follow California's plans for personal and economic recovery the fiscal impact of the Fair's cancellation will force us to be creative in ways to overcome the loss of revenue to our county and local businesses, hotels, restaurants, and shopping. We believe these hardships can set the stage for an even greater Fair and Celebration in 2021.

The Fair Board and Jr. Livestock Committee needs your support for their Virtual Livestock Show and Auction. The youth livestock exhibitors have all worked hard on their 2020 Livestock projects. Their entry fees for the Virtual Show were donated by generous community members.

Participants in the virtual Livestock Show and Auction need to have their submissions uploaded by July 4th-11th. Please see soon to be posted instructions, with a how to guide and example links.
