To whom it may concern:

I _____ certify that my animals are compliant to the Prop 12 minimum
(Name of Producer)
confinement requirements as of December 31, 2022. I certify that the immediate offspring of my
breeding pig sow, this market pig, has been raised in accordance with the Prop 12 guidelines. I am
aware that if California Department of Food and Agriculture chooses to investigate any complaints
that this could result in legal charges and the pig may be returned from the harvest facility.
