

SWINE

PROP 12 - As of January 1, 2022, pigs that will be resold and entered into public commerce must be from sows that were raised under the Prop 12 conditions. Until CDFA develops a framework for compliance the Fair is requiring documentation (self-certify letter and proof of date of birth) that the market pigs were born to sows housed under the Prop 12 requirements. This documentation must be submitted with the entry form. A self-certify form may be found on the fair's website: www.lassencountyfair.org
